William L. Huss, CPA

Hailing from Freedom, Wisconsin, I am a 1978 graduate of the University of Wisconsin – Oshkosh, with a Business Administration degree in Accounting. Upon graduation, I worked as an Accountant for a large regional CPA firm before pursuing a career in the private sector. Earning my CPA in 1982, I held various Controller/CFO and corporate Secretary-Treasurer positions with small and medium-sized companies in industries such as manufacturing, retail, wholesale, non-profit and professional services. My responsibilities included arranging and maintaining all banking relationships, adhering to loan covenants and performing due diligence work for mergers, acquisitions and divestitures. For the last 10 years, I was employed by AT&T in Corporate IT Services. It gave me invaluable large-company experience in business unit financial reporting, internal audit and compliance and Quality Assurance. My memberships include both the American Institute and the Wisconsin Institute of CPAs for over 25 years. In addition, I have served as a Board President of the Oshkosh Big Brothers / Big Sisters agency and serve as an active member of the Sussex Lions Club and the Sussex Area Chamber of Commerce.

TESTIMONIALS

“I have always done my own taxes, and I couldn’t find the time this year to do them myself, Bill made the process very simple, and spent all the time I needed to answer every question I had. I will never do my own taxes again. It was a pleasure working with Bill, I only wish I would have sought his services sooner.”

– *Jeannine Heinowski*

“Bill is very knowledgeable but what separates him from others is his ability to explain complicated accounting topics in a language I can understand to make informed financial decisions. He recommended and implemented a change in my legal business structure which would save my new business significant amount of money. And he does it with a smile. Thanks Bill.”

– *Brad Saeed, President of BTS Consulting LLC, Delafield, WI*

“I met Bill in December 2009 with a laundry list of questions and concerns about the tax obligation for my insurance business. With tax season in full swing, I was amazed by the amount of time he dedicated to me. He answered each and every email immediately, took my calls on the spot, and made sure I had a clear understanding of what he was explaining. Bill was so easy to work with and was willing to go the extra length to research different options for me. It was a great experience working with Bill!

I have and will continue recommending him. Great job!”
